

# Planning for Agriculture Webinar:

## How to Create a Supportive Environment for Farmers and Farm Businesses

***Want to know how your town can become more ag friendly? Want to learn about the tools and resources available to provide a supportive community environment where agriculture can thrive?***

Join American Farmland Trust, Working Lands Alliance, and the CT Chapter of the American Planning Association for a webinar on Friday, **June 10th from 1 to 2:30 pm.**

The program will be worth 1.5 CM credits for AICP planners. The program is also suitable for municipal officials, Planning and Zoning or Agriculture Commission members, and others in CT interested in supporting agriculture at the local level.

**To register or for more info, visit [workinglandsalliance.org](http://workinglandsalliance.org).**

**Please register by June 8th.**
